

Consumer Education Action Plan: What Should We Do Next?

Action Item 1:

Who?

When?

Resources Needed:

How Will Success Be Measured?

Follow Up or Next Steps:

Questions or Challenges:

Purpose and Goals:

Strengthen and expand your Consumer Engagement plan about programs and services available to infants and toddlers.

- ◆ Communicate with parents/ providers using multiple, accessible delivery systems and in multiple languages;
- ◆ ensure messages include unique information on infant/toddler health & safety, responsive and individualized care, social & behavioral health, and indicators of high quality care;
- ◆ ensure there is information on service eligibility and access, service integration, family support and developmental screening.

Ideas or Possibilities:

Collaborative Partners:

Workgroup Members:

Action Item 2:

The State Capacity Building Center (SCBC) works with state and territory leaders and their partners to create innovative early childhood systems and programs that improve results for children and families. The SCBC is funded by the U.S. Department of Health and Human Services, Administration for Children and Families, Office of Child Care.
